According to exit polls released shortly after the polls closed, the Danish prime minister's party won 19-21 per cent of the vote and is set to become the largest party in the Folketing, the Danish parliament.

But both her Left-wing bloc, as well as the Right-wing bloc in the Danish parliament, failed to secure a majority, according to the exit polls, raising the prospect of lengthy coalition talks.

It means that Lars Lokke Rasmussen, the leader of the centrist Moderates party, could become a kingmaker depending on the final results.

Ms Frederiksen called the snap election to capitalise on a surge in public support in Denmark for her tough stance on Donald Trump, who has repeatedly threatened to invade the Danish territory of Greenland.

Polls have closed in Denmark, and exit polls suggest that both left- and right-leaning blocs are likely to fall short of a parliamentary majority. Denmark's Social Democrat Prime Minister Mette Frederiksen called the early election, hoping that her firm stance against US President Donald Trump's attempts to acquire Greenland would boost support at the ballot box. But the diplomatic drama hasn't shifted voter...**more**

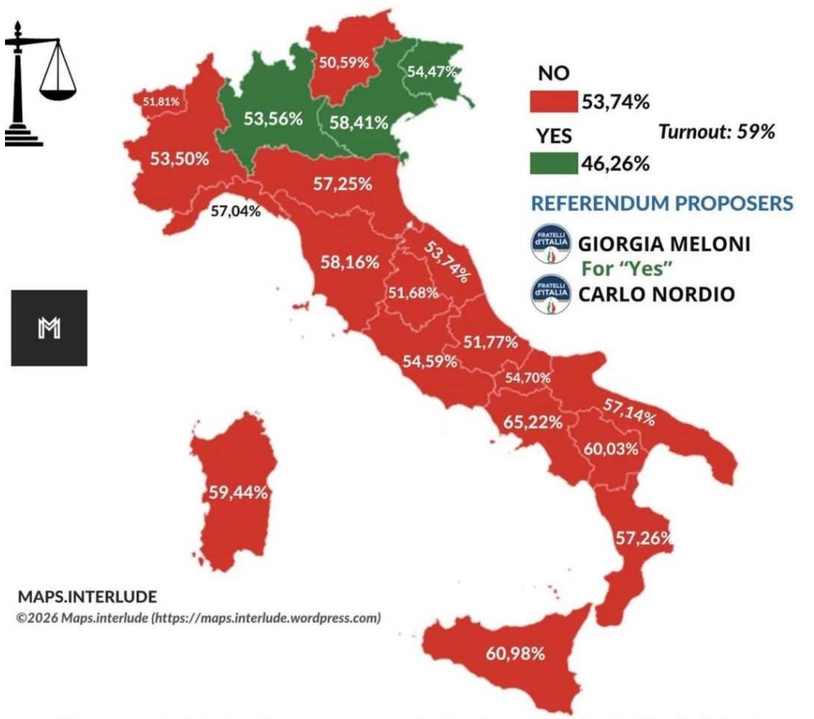
2026 Justice Referendum in Italy



Voters were asked whether they approved a **constitutional law**, often called the "**Nordio Reform**" (Riforma Nordio) after Carlo Nordio (the **Minister of Justice**), that would amend the **Italian Constitution** in various aspects, most notably by proposing the constitutional separation of career paths between judges and public prosecutors, the splitting of the High Council of the Judiciary (**CSM**) into two distinct bodies, and the selection of members by sortition rather than traditional election, as well as the establishment of a High Disciplinary Court to oversee disciplinary proceedings

PAHAYAG

Mga kababayan,

Ang suliranin ng bayan ngayon ay ang nanganganib na pagsasara ng mga negosyo, ang pagkawala ng trabaho, at ang hirap ng bawat pamilyang Pilipino dulot ng patuloy na pagtaas ng presyo ng mga produkto.

Ang imbitasyon na dumalo sa pagdinig ng Committee on Justice ay tila ginagamit upang makabuo ng isang media narrative na magkakaroon ng “mini-trial,” batay sa umano'y hindi ko pagsagot at hindi pagdalo.

Sa ganitong paraan, ginagamit ang mga pagdinig upang makapagsagawa na naman ang House of Representatives ng ikatlong fishing expedition laban sa akin.

Muli, inuuna ang politika kaysa sa kapakanan ng milyon-milyong Pilipino na hirap na hirap dahil sa mahal na bilihin.

Malinaw na walang patakaran na nagsasabing kailangang personal na dumalo ang respondent sa impeachment complaint sa mga pagdinig ng Committee on Justice.

Naisumite ko na ang aking Answer ad Cautelam. Sa ngayon, wala nang dapat pang gawin ang Komite kundi ibasura ang mga reklamo dahil sa malinaw na kakulangan ng ebidensya.

Samantala, mas pipiliin kong ilaan ang aking oras sa pagtulong sa mga Pilipino—lalo na sa pagbibigay ng paalala, diretso sa mga komunidad, upang maibsan ang hirap sa gastusin ng mga pamilyang higit na nangangailangan.

NATATANGING MAMBABATAS NA NAG-'NO' UPANG SUBPOENA ANG SALN NI VP SARAH; BAKIT KA KAYA 'NO' BOSS?!

Tanging si Cagayan de Oro 2nd District Rep. Rufus Rodriquez ang bumotong hindi pabor sa pag-isyu ng House Justice Committee ng subpoena para sa mga SALN ni Vice President Sara Duterte.

Ayon kay Rodriguez, isa umanong malinaw na “fishing expedition” o paghahanap ng anumang maipaparatang kahit walang malinaw na ebidensya laban sa bise presidente ang naturang mosyon.

"Mabuhay, Filipinos. I am deeply 'saddened' that my Decadent friend, former President Rodrigo Duterte, has been 'illegally detained' at the International Criminal Court. What's even more 'tragic' is that he will be celebrating not just one, but two birthdays inside the ICC, far from his family and loyal supporters.
Duterte is truly an 'admirable' figure, his 'iniquity' knows no bounds. As his dear friend, I announce that Nigeria will send 69,420 barrels of Diddy Oil every month to Davao City exclusively in his honor. A humble gift for a 'great' man."

I do not normally address online rumors, but the accusations currently circulating are false and constitute defamation.
I take full responsibility for the interactions on March 21st. I was at the hotel on behalf of another individual, and I was not part of the personal security team of Chappell Roan. The actions I took were not on behalf of Chappell Roan, her personal security team, her management, or any other individuals. I made a judgment call based on information we obtained from the hotel, events I had witnessed in the days prior and the heightened overall security risk of our location. My sole interaction with the mother was calm and with good intentions, and the outcome of the encounter is regretful.

MARCOLETA, NAG-WALK OUT

Napatayo na lang si Sen. Rodante Marcoleta dahil sa frustration matapos niyang kuwestyunin ang Department of Energy (DOE) sa trabaho nitong i-monitor ang presyo ng binibiling langis.

Nangyari ito sa pagdinig ng Senate PROTECT Committee ngayong Huwebes, March 26.

Meryl Streep was "unnerved" filming #TheDevilWearsPrada2 amid paparazzi and fans swarming set: "We needed police barriers." https://variety.com/2026/film/news/anne-hathaway-devil-wears-prada-2-thin-models-1236698860/

“Even though we were aware of the impact of the first film two decades ago, I think none of us were prepared for the ambush of both goodwill and avid attention that engulfed us. We needed police barriers and crowd control. Buses of fans turned up, and paparazzi swarmed and in one case kept jumping in front of the camera and the shot and got in a kerfuffle with crew. Annie kept her cool, but I was unnerved.” (via Harper's Bazaar)

Men's trophy for the 2016 Boat Race

The Boat Races 2016 (also known for sponsorship reasons as The Cancer Research UK Boat Races) took place on 27 March 2016. The Boat Race is an annual set of side-by-side rowing races between crews from the universities of Oxford and Cambridge along a 4.2-mile (6.8 km) stretch of the River Thames in south-west London. For the first time in the history of the event, the men's, women's and both reserves' races were held on the Tideway on the same day. Trials for the race took place on the Championship Course in December 2015, and the selected crews took part in several practice races in the build-up to the main event. The weigh-in for the men's and women's races took place on 1 March 2016, with both Cambridge's men and women the heavier crews. Pre-race betting had Cambridge's men and Oxford's women as favourites. The men's race *(trophy pictured)* was won by Cambridge by two and a half lengths, taking the overall record in the event to 82–79 in their favour. ***(Full article...)***

'ANG TUNAY NA PROBLEMA NG PILIPINAS AY HINDI ANG GIYERA SA MIDDLE EAST, KUNDI ANG PAGWAWALDAS NG BUWIS'

Ipinahayag ni Batangas 1st District Rep. Leandro Leviste ang ilang mungkahi niya para maibsan ang epekto sa bansa ng gulo sa Middle East.

"Bawasan ang gastos at pigilan ang mga maanomalyang transaksiyon ng gobyerno, pababain ang VAT at palitan ito ng mga mas progresibong buwis, tanggalin ang mga miyembro ng Gabinete at kanilang mga kasamahan na nagpapahirap sa mga Pilipino, at huwag kalimutan ang flood control, huwag pumayag na ilihis ang usapan, dahil korapsyon ang ugat ng ating mga problema," saad ni Leviste.

J.K. Rowling says HBO's #HarryPotter series "is going to be incredible" after the first trailer drops: "I'm so happy with it." https://variety.com/2026/tv/news/jk-rowling-praises-harry-potter-trailer-olympics-trans-women-ban-1236701238/

Twenty minutes earlier, Rowling celebrated the Olympics' decision to ban transgender women from competing in women's events by writing: "Today's ruling by the IOC means a welcome return to fair sport for women and girls, but I'll never forget the scandal of Paris 2024, when people who consider themselves supremely virtuous and progressive publicly cheered on men punching women."

Rowling was referring to the Olympics decision to allow Algeria's Imane Khelif to compete in the women's boxing competition at the Paris 2024 summer games one year after she was disqualified from the Women's World Championships for failing a gender eligibility test due to elevated levels of testosterone in her system. Rowling denounced the Olympics at the time.

Most people think confidence means ha
the answers.
But real confidence is being okay with n
knowing everything.
When you chase perfection, every conv
becomes a test. When you accept imper
every conversation becomes practice.
Example: You stay quiet in meetings bec
you fear your idea isn't "good enough"—
realizing good ideas often start as half-f
thoughts.
Imperfection creates permission.
Permission creates courage.
Courage creates confidence.

Famous actor Chris Pratt spoke out about his faith:

"You take a risk, I think, being in the entertainment world by being vocal about anything that's divisive—and religion is divisive, as is politics. I don't care enough about politics to take a stand one way or another at the expense of my career. But I do care enough about Jesus to take a stand, even if it costs me. If it costs me everything, I don't care," Pratt told The Christian Post.

CLAIRE CASTRO IGINIIT NA HALOS HINDI NA NATUTULOG SI GARIN

Umani ng reaksyon ang pahayag ng Malacañang matapos nitong ipagtanggol si Department of Energy (DOE) Secretary Sharon Garin laban sa mga batikos kaugnay ng umano'y mabagal na tugon sa tumitinding krisis sa langis at kuryente dulot ng tensyon sa Middle East.

Sa gitna ng tumataas na presyo ng krudo at deklarasyon ng state of national energy emergency, iginiit ng Palasyo na patuloy ang pagtatrabaho ng DOE upang tugunan ang sitwasyon. 1 / 4

Parehong jeepney driver. Parehong 72 years old. Parehong humingi ng tulong sa gobyerno sa panahon ng krisis. Yung isa dahil sa pandemya, yung isa dahil sa fuel crisis.

Ang isa pinakulong. Yung isa tinulungan.

We can't control global crises. What we can control is how the government responds to the struggles of its people.

Rest in peace, Noelia 🕊️
May her name be a lasting reminder that, as a society, we must respond with real support and compassion, not with death.

Let us pray for her, and for all those who are ill, who feel alone, and who have lost hope.
